

# Elevate your *Presentation.*

Step up to a new level of exhibiting with **Foundation.**

**It's here.** Foundation is an ingenious, custom riser that blends Instand® systems with a new line of upscale accessory options to create exhibit designs that are redefining custom portable displays.

Whether your customers have an existing Instand exhibit or are looking to purchase a versatile Nomadic pop-up system, Foundation will provide the custom-tailored style and the flexibility to easily change out or re-arrange their functional presentation needs from show-to-show.

# Get innovative

## Unlimited creative freedom

The key to show floor differentiation is to present your audience with a constantly evolving, and ever-fresh image. So that's why we are proud to announce a brand-new product designed to elevate your presentation to a whole new level. Foundation gives you the flexibility to reconfigure your display, your way.

*“Foundation provides for an unmatched and unique aesthetic.”*

## Get smart

### Unparalleled show-stopping value

By selecting a premium pop-up for high-impact exhibiting, you know you made the right choice. Stunning large-format graphic appeal, lightweight construction, quick, easy setup, and Nomadic's NQA warranty have made Instand the world's most popular pop-up.

## Get noticed

### Sophisticated new design elements

Foundation's interlocking sections easily assemble without tools. Then attach your accessories anywhere along its built-in rail. Choose from plasma screens up to 32", counters with logo-engraved tops and lockable storage, pedestals to display products, dispensers for literature, dimensional graphic appliques for branded messages and more.
